- Develop enhancements and fixes for a production service screening **all bank transactions** for fraudulent activity

Wheels Harbison Area Transit

Product Manager

Columbia, SC

August 2025 – December 2025

- Led a **team of 5** through **3 Agile sprints** to launch the first website for a nonprofit providing mobility services to seniors
- Directed accessible design for vision-impaired senior citizen users, including larger typefaces and simplified page layouts
- Drove **\$400+** in crowdsourced and corporate donations in the first month, opening a new revenue stream for the nonprofit

South Carolina Retirement System Investment Commission

Information Technology Intern

Columbia, SC

July 2025 – April 2026

- Administered enterprise IT solutions for a 40+ user state government agency overseeing over **\$50 billion AUM**
- Rebuilt a compliance form submission and approval workflow, replacing a **manual** email process spanning **3-4 approvers**
- Overhauled internal IT documentation, migrating **100+ pages** from a stale Git repository to a living shared notes vault

LX Aer, Education Technology Startup Company

Chief Operating Officer

Remote

November 2023 – May 2025

- Led **product strategy**, marketing, and operations for an early-stage EdTech startup; managed a cross-functional team of **5+**
- Shipped a multi-format in-app file renderer end-to-end, prioritized from pilot user feedback and conference booth demos
- Directed a freelance animator through storyboarding and production of a 60-second product ad for conference exhibits
- Drove a restructuring that spun out the founder's side ventures, focusing the company on one product story for investors

LEADERSHIP EXPERIENCE

Inspire Columbia, producing TEDxCongaree Vista

Founder, CEO & Event Manager

Columbia, SC

July 2025 – Present

- Founded a **501(c)(3) nonprofit**, managing incorporation, tax-exempt filing, risk management, and compliance
- Ran event operations for a **TEDx event** featuring 16 talks, **100+ attendees**, **8 business exhibitors**, on a **\$31,000+** budget
- Built nonprofit governance from scratch, establishing an independent board, C-suite, standing committees, and org chart
- Directed post-production from video editing to TED compliance reviews, driving **150,000+ views** for online talk videos

Kappa Theta Pi, Professional Technology Fraternity

Co-Founder & President

Columbia, SC

April 2025 – Present

- Managed an 8-person leadership team, grew organization **membership from 26 to 50**, and launched a hackathon program
- Secured university sponsorship to lead a student cohort of **15+** to the **CES conference**, networking with global corporations
- Delivered **7 pro-bono consulting projects** to 6 nonprofits: websites, donation platforms, and volunteer management tools
- Organized a partner **symposium** connecting current and prospective nonprofit clients with students and university officials
